Block Kids is NAWIC's yearly construction education event for children, grades 1st through 6th. They are given an hour to create and build a structure with 100 plastic interlocking type building blocks. Each structure is reviewed by a panel of judges and prizes awarded.

Our Block Kids event this year will take place on February 25, 2012. The event will be a fun-filled morning packed with entertainment, construction building activities, prizes and refreshments.
