Women in Construction (WIC) Week 2012 will be celebrated March 4-10 by the Greater Phoenix chapter of the National Association of Women In Construction (NAWIC). NAWIC's mission is ***to enhance the success of women in the construction industry.***

WIC Week provides a unified time for NAWIC members to raise awareness of the opportunities the construction industry holds for potential employees and to highlight women as a visible, growing force in the industry.

This year as one of our WIC Week activities we are encouraging members to write a Thank You note to acknowledge women who have inspired them.

THANK YOU
