

## NAWIC Greater Phoenix Chapter 98

Introduction to Lean Construction

Wednesday, March 4, 11:30 - 1:00

It's more than being efficient and planning. Lean Construction takes into account all aspects of a project. Spend your lunch learning about Lean Construction and how to implement some basic principles into your work today!

This is an opportunity to share valuable NAWIC events with your co-workers and invite women in the industry to join a NAWIC event.

Seating is limited to 50. Sign up today!
