## ▶ NAWIC Luncheon at Metro Tech High School

.....

You're invited to participate in a Career Day Lunch Event at Metro Tech High School! This is an opportunity to network with 20 female high school students who are interested in pursuing a career in the construction industry. Featured guest speakers will be women in different stages of their careers, telling their stories, followed by an informal Q&A session. NAWIC will be sponsoring lunch during the event so please RSVP if you plan to attend.

Additional "giveaway" items are being requested for donation to give out to the students (i.e., logo items for recruiting).
