What's Brewing at Starbucks with Lindsey Thompson

Lindsey Thompson is a Project Manager for Starbucks Coffee Company with over 15 years experience in the industry. Lindsey works with her development team as well as local general contractors to manage multiple new builds and renovations throughout the Arizona market for Starbucks.

Lindsey is a powerful force in the workplace and uses her positive attitude and tireless energy to encourage others to work hard and succeed. Lindsey is inspired by her relationship with her Operations Partners in creating beautiful new stores in this growing market.

Lindsey will discuss:

1. What it's like working for Starbucks (The Grind)
2. The impact of COVID on Store Footprints (What's Percolating)
3. How culture drives decisions (eXpresso not Espresso)
4. What are the construction opportunities in AZ (The Bloom)
