Michael Ho, CEO, Bespoke Metrics

Mr. Michael Ho is an accomplished executive with extensive experience in credit risk, data analytics, and software development. After working in finance for 15 years and helping lead a Credit Rating Agency into the 4th largest Rating Agency in the world, Mr. Ho utilized his experience in P3, Infrastructure Finance, technology and growth initiatives and founded Bespoke Metrics in 2016. With its inaugural product, COMPASS, Bespoke Metrics is now one of the leading Construction Software companies focused at Preconstruction Risk Management. His presentation will include:

- Pros and Cons of Prequalification
- Risk Management Technology
- Supply Chain Engagement
- The Impact of COVID on Prequalification
