Mark your calendars

**Tuesday – July 28, 2015**

5:30 PM - Networking & Registration

6:00 PM – Dinner & Program

Please join us for: **DRONES -**  
**they fly among us**

Brian Deatherage has operated drones and RC helicopters for over ten years. He currently flies them for remote photography in mining areas. Dave Deatherage is a Geotechnical Engineer who has worked in the Construction Industry for over twenty-five years. Brian and Dave will discuss drone operation, show results of photography and mapping using drones, and applications and opportunities for drones in the construction industry. If time and conditions permit, they will demonstrate drone operation.
